

HVL NEIGHBORS HOMEMAKERS

The HVL Neighbors Homemakers met on May 3, 2012. The meeting was opened by reciting the Pledge to the Flag and the Homemakers Creed.

The roll call was taken with ten members present. The question of the month was “ What is Your Favorite Flower or Tree?”

The Treasurer gave her report. There are still some who need to pay dues, and she is collecting money for the dinner at Achievement Night. This has to be into the office soon.

Terri requested that we consider donating to the HVL Scholarship fund as we have in the past. This is sponsored by the Children’s Activities group, but all clubs have donated to this. A motion was made by Lois, seconded by Pat , that we donate to this fund. The motion passed.

Lois made a report on the Blood Drive. We had 62 donors register, and 45 units of whole blood were donated, and 3 double red. Hoxworth would like to see more people say they will donate “double red” , so next year we will encourage more people to see if they will do this. The whole day went very smoothly and we thank all the residents of HVL for their support of this project.

Achievement night will start at with registration at 5:30, with the meal being served at 6:00. The menu has been decided, and table center pieces will be taken care of by Sally. Our theme is “Community Volunteer” and Betty will speak about opportunities through RSVP. Kay Thomas will be part of the memorial service, and Lois will prepare some remarks for this. Pat will contact her daughter to see if she would like to come as our guest. There will be voting on the Culture Arts projects, with the winner going to Conference. We will also have some door prizes.

Our July meeting will be our picnic pitch-in . Bring a dish to share ,drinks will be provided.

Jeanne said that the newest “Habitat” house is going to be dedicated this month . She asked if we wanted to donate again for this cause. Ollie made the motion that we donate for this; Pat seconded, and the motion passed.

Terri shared two events going on in the Valley: a benefit for Nick Apostol and his family, and Bunco Night sponsored by the Garden Club. Detail are in the Echoes.

Betty gave the lesson “How to work your work our “In”. Lots of good tips about walking and it’s benefits to your health

Ollie made a motion to close the meeting, Terri seconded, and the motion passed.
