## Design Concept Questionnaire

1. Which of the three drawings appeals to you the most, A, B or C?
2. What makes it the most appealing?
3. What aspect(s) of Design A do you like best?
4. What aspect(s) of Design A do you not like?
5. What aspect(s) of Design B do you like best?
6. What aspect(s) of Design B do you not like?
7. What aspect(s) of Design C do you like best?
8. What aspect(s) of Design C do you not like?
9. If you could take your favorite parts of A, B, and C and put them together in one design, what would those features be? For example, you might like the cobblestone road from A, water feature from B, with the bridge effect from C.
10. Please include any other constructive comments here.
